

1 OPENING

Jay walks down footpath on their way to school

Headphones are plugged in and '*insert song*' plays

Jay approaches the front of the school, walking up the steps, and going through the door

Jay walks through the school corridors towards their locker

2 LOCKER ROOM

Jay enters locker room

*(One headphone is removed, while
instrumental continues to play)*

There are two other students heard at the forefront, Elina and phoebe, leaning against lockers and chatting

Jay opens their lock, and retrieves their books while the students converse

ELINA

Were you at the party over the weekend?

PHOEBE

No, but I heard it was nuts

ELINA

It was! You should have been there! Annie turned up *covered* in bacon wrap

PHOEBE

No way

ELINA

Yes, and Daniel, of course, could barely keep his eyes off of her

PHOEBE

Did anything happen?

ELINA

Lets just say she left with a lot less bacon than she came with

PHOEBE

Oof

ELINA

Honestly, I wouldn't be surprised if they eat it and quit it, I mean, that sort of thing never lasts very long, if you eat it up to quickly they loose interest, it's just how it is, I mean....

Jay closes their locker and Phoebe and Elina's voices fade

3 MEETING AMARI

Jay walks down the hallway

Amari runs up behind them, trying to catch up to Jay, and gets their attention

AMARI
Hey, you're Jay right?

JAY
Uh, yeah

AMARI
I'm Amari, I think we're in the same class

JAY
Mmm Hmm

The two share an awkward silence

AMARI
I go by they/them pronouns by the way

JAY
.... oh... uh.... he/they

Further silence between the two

AMARI
We have Health next don't we

JAY
Uh, yeah, I think so

AMARI
Cool....

They both continue walking down the hallway in silence

AMARI
So I was thinking-

Bell rings

AMARI
Sharp breath in Oh, I forgot my- sorry,
I'll see you in class

JAY
Okay

Amari runs off

Jay continues on

4 'SEX ED'

Jay enters the class room walking to a desk and sitting down

Other students begin to file into the room, sitting at desks, and chatting

The teacher walks into the room, and writes on the blackboard

Class groans

TEACHER

Right, Bacon...

I know that no one wants to talk about this with their teacher, but I'm sure you all knew this was coming at some point.

Liking bacon... Well... Is natural. Everyone does, and that's why it's important you learn about it now.

It's important that you learn how to cook and season it probably. Bacon isn't all fun and games, if you're not careful it can make you sick.

But bacon isn't bad, and you shouldn't feel ashamed. **Every person** in this room will eat bacon one day. And eating bacon with someone you really love is the best experience you will ever have.

Now, everyone grab their pan and oil

Snapping of gloves, gas lighting, chopping and sizzling

(Time skip)

Jay, and students are all taking off their cooking gloves

Bell rings

Students pack up their books and filter out of the room

Jay takes their books and walks over to the teacher

JAY

Hey, Ms Dawson, can I ask you something

MS DAWSON

Sure Jay, how can I help

JAY

I just- You said that one day everyone will want bacon, but, what if I....well... don't?

MS DAWSON

You might not feel it now, but one day you will, everyone does

JAY
Yeah, but hypothetically, if I didn't

MS DAWSON
Don't worry honey, you will... After all,
Bacon makes us human

Both pause

JAY
Okay... thanks Ms Dawson

Ms Dawson shuffles some papers

Jay exits the classroom

5 LUNCH

Jay walks towards a table with two students, Drew and Blake, sitting at it

DREW
Hey Jay

JAY
Hey

All three begin eating

BLAKE
That class was nuts, right

DREW
Yep, it's like, the last thing you wanna be talking to you're teacher about. Especially Ms Dawson

JAY
I mean, it was interesting to learn about the mechanisms and all that....

DREW
Ummmm- I guess?

JAY
I don't think I'll ever try it though

BLAKE
What? You mean, like, abstinence or something? I didn't know you were religious

JAY
I'm not, well, not really. I just don't see the big deal

DREW
What do you mean?

JAY
I dunno, I guess it just... isn't appealing

to me

BLAKE

But, what if you're future partner like
bacon? What'll you do?

JAY

Um, I guess, I dunno, I-

Bell rings

Jay, Blake, and Drew pack up their lunch, and begin walking away from
the table

JAY

Never mind, it's not important

DREW

That's okay Jay, you don't have to know....
we'll see you after class

JAY

Yeah

Jay walks away

6 STUDY ROOM

Jay opens the door of the study room, and walks inside

They put their stuff down on the table, and settle in the chair

They plug their headphones into their phone, and press play on the
music

(Song #1 plays)

Within a few seconds of the first lyrics playing Jay gets annoyed and
skips to the next one

JAY

Sighs

(Song #2 plays)

The same occurrence

JAY

Groans

(Song #3 plays)

Jay gets frustrated, pauses the music, agitatedly takes off their
headphones, and sighs, placing them on the table

Jay begins to open their books to study

Amari opens the door to the study room

They notice Jay is in the room

AMARI

Oh, hey Jay, know you were in here

JAY

Oh, hey

AMARI

I've just got some posters to pin up

JAY

hums I'll leave you too it

Amari pins up the poster to the wall

Amari walks to the door and exits, closing the door behind

Jay waits until Amari has been gone a moment before standing, and looking at the poster

JAY

Mumbling For those who finds bacon's not quite for them.... You're not alone

They take their phone and take a picture of the poster

7 UN-SIZZLED

Jay is outside the club, Amari comes out the door

Chatting and music is heard

AMARI

Jay!!! Come in, come in

Jay walks towards Amari nervously, they both walk through the door, standing just inside the room

Music can be heard, as well as people quietly chatting

AMARI

Welcome to Un-sizzled, I had a feeling you might come

JAY

You did?

AMARI

Yeah, I thought you might be like us.

JAY

Like us?

AMARI

Yeah, off the B spectrum, we have all sorts here. Some who don't like bacon at all, some who find that it depends, and some who don't care either way

JAY

Huh

AMARI

There are no expectations here. You can be exactly who you are. Liking bacon is a

spectrum, and not liking it at all is perfectly normal. Everyone here is like you and me, which is absolutely awesome.

JAY

I- *Breath*

AMARI

You wanna check it out

JAY

Yeah

They walk inside, and shut the door

Fades to black
